King Of Peace

A Brief History

Founded in 1975 as a mission of Tampa MCC, King of Peace MCC has been on the move ever since. We have had sanctuary in living rooms, a store front, our own 'Little Yellow House', a former Funeral Home, a former Eagles Club, a former Cinema, and shared church spaces. In each, we spread the word and shared fellowship. Funded through garage sales and donations, the congregation pitched in with imagination and perspiration to transform each of these "former" spaces into our Church Alive.

The spaces were alive with Sunday Worship – sometimes twice! Thursday Dinners and monthly Saturday Theme Parties, Groups for Singles, Women, Therapy, Happy Cookers, Choir, Trans, AIDS, Ubuntu, Gay Parents and an active Bookstore.

We brought in the Miami Gay Men's Choir, and, out of that concert, the well-loved Gay Men's Chorus of Tampa Bay was established. We set a mission in New Port Richey with Spirit of Life MCC, in the Dominican Republic for an orphanage & school and a new MCC Church in Cuba: SOMOS ICM.

From SDIA (turning AIDS around), an outreach with counseling, dinners, a buddy program and two homes operating to accept patients released from hospital care, was born what has grown into Metro Inclusive Health – now identified as the 2nd largest LGBTQ+ focused health and community center in the US.

King Of Peace

A Brief History

We continued, pressing forward with a focus on leadership, spiritual & personal development and caring. Creating our H.O.T. (Human Outreach Team) ministry for the distribution of food and support to the unhoused. Fundraising events raising over 100 thousand dollars to support various community programs over the years. Transgender Community events to honor and remember as well as name alignment baptisms. Congregational Enrichment classes in bible studies, finance, health, movies, legal issues, Servant Leadership and Creating a Life that Matters.

Our Higher Tech multimedia team - already leveraging Facebook Live with multiple cameras, and effective use of lighting and online giving - was well positioned to transition to the constraints of COVID and the post-COVID landscape.

We have a long history of member and clergy involvement at the denomination level, including clergy on the Board of Elders and members on the Governing Board, Board of Pensions, Assessments, Finance Team and Conference Planning Committee.

King Of Peace

A Brief History

Embracing God's Will, we bid farewell to an Associate Pastor and a retiring Senior Pastor and welcomed our Interim Pastor. Further, while we did not understand, it was evident our church home - the former cinema - no longer served God's purpose for King of Peace and the building was sold. We were able to sell at a good profit and were honored to share the beautiful sanctuary and property of Lakewood United Methodist Church.

Our congregation prayed together weekly as we searched for the space which serves God's plan for King of Peace Church Alive of the future and we are now purchasing Good Samaritan Presbyterian Church! They are a church whose ideals align with us and who are very active in serving the community, especially with their food pantry, which makes us very excited that part of God's plan for us includes being placed in a position to share space with Good Samaritan after the sale. We look forward to how our congregations can build a relationship as neighbors to each other and Pinellas County!
