Covenant Keepers 2025

“Beyond Blessed”

Covenant Keepers is our stewardship program. It provides an opportunity for you to make a covenant with God through King of Peace MCC in six areas of your life. This program is designed to help us grow as individuals and together as a Church.

Our theme this year is “Beyond Blessed”. This congregation has experienced God’s blessing to a point of overflowing and being able to share those blessings with others in the community. For the next four Sundays, we will be examining the ways we are called to share God’s blessings outside of the walls of our church.

The Bible teaches that we are to be good stewards or overseers of all God gives us. Please prayerfully consider becoming a Covenant Keeper and return the Covenant Commitment portion to the Church by **November 17th, 2024.**

PRESENCE is important because we come into the presence of God with other Christians through Worship. Presence in worship touches us in a way unlike any other setting. Worship is a gift that nourishes a healthy self-esteem and strengthens our spiritual muscles of faith, hope and love.

SPIRITUAL GROWTH is a quest to know God. God greatly desires a relationship with us. We grow through scriptural study, meditation, interaction and reflection with other Christians.

PRAYER is simply communicating with God. When we pray, our awareness of God's love and presence deepens and our relationship with God is strengthened. Prayer is essential to a healthy and growing spiritual life.

FINANCIAL SUPPORT is a necessity for the ministries of King of Peace MCC. God is generous and expects us to be generous too. Giving a portion of our finances is a way of expressing our generosity.

WITNESS is demonstrating Christ's love to the world. We are called to be a witness to that love. Those around us should experience Christ through our lives, actions and words. As we share our Christian stories with others, they too will be able to connect with Christ.

SERVICE is an opportunity for us to use our spiritual gifts. God has blessed us all with different and wonderful gifts, and each of us is called to serve with all of our gifts, skills and talents. King of Peace MCC can provide you with an area to serve.
